Armor Auto-Adjusting Pliers

6" Curved Jaw Pliers
AMTA06100G

10" Curved Jaw Pliers
AMTA10100G

7" Needle Nose Pliers
AMTA09300G

Features:

- **AUTO-ADJUSTING JAWS** - Armor Automatic Pliers use cutting-edge Auto-Adjust technology to adapt to different material thicknesses effortlessly, eliminating the need for constant readjustments.
- **EFFORTLESS GRIP CONTROL** - With a simple pressure screw adjustment, Armor's locking pliers provide consistent, reliable gripping power for any task. Say goodbye to frustrating manual adjustments.
- **SOFT GRIP HANDLE** - Work comfortably for longer periods with the soft grip handle, designed to reduce fatigue and enhance your overall user experience, unlike other vise grips.
- **VERSATILE & RELIABLE** - These pliers ensure a secure grip on a wide range of materials, making them ideal for various applications, from DIY projects to professional tasks.
