

# HEAT UP

the Season

# PORTABLE CONSTRUCTION HEATERS

SALE PRICE \$169EA

#### **AUTO ENERGY SAVING MODE**

Adjustable thermostat (from high to low) maintains your desired temperature automatically for optimal comfort and efficiency.

#### **CONVENIENT & SAFE FEATURES**

Electronic thermostat (54°F-113°F), overheat protection, and finger-proof intake and discharge grills for added safety.

#### **WORKSPACE-READY DESIGN**

Built-in carry handle for easy portability, with a high-temperature heating limit for safety.

#### **ADVANCED DUAL HEATING**

Heats large rooms quickly and evenly, eliminating hot and cold spots for consistent warmth.
